www.skolera.com

- In order to help parents follow up on their children's progress and performance from their own interface in Skolera, we've updated the feature of viewing grades of each child to have a more modern and much easier look and experience.

To view your children's grades follow the next steps :

After logging in to the Parents' interface ... choose one of your children who you wish to view his / her grades on the left side.

-Click on" Grades " button on the top of the screen under quick access buttons as highlighted.

Cho	ose the child you wish to view his / her grades
🏫 Home	Click on "Grades"
My Children	Content Assignments Online Quizzes Grades
Calendar	Attendance 351 Out of 352 Days
Connect	Workload A This Week > Badges 1
	Suit O Mon V Lue V Wed V Linu V H is O Sat O 3/2/2020 3/2/2020 4/2/2020 5/2/2020 6/2/2020 7/2/2020 8/2/2020 Grand Marsten

Once you click on "Grades", a drop-down menu will appear containing a list of courses that your child is studying.

-Choose the course that you want to view your child's grades in, as highlighted .

www.skolera.com info@skolera.com

B You'll be directed to the "Grades" screen ... Choose the following data :

-Grading Period -Sub Grading Period -Category -Sub-Category

Once you do the above selections, grades will be shown for all items including assignments, quizzes or any projects as given by the teacher, each with the following details:

- -Due date
- -Grade
- -Maximum Grade

-Feedback (in case this is given by the teacher)

	Choose the following data :							
	-Grading Period -Sub Grading Period					-Category -Sub-Category
